FIRE ROASTED
concepts

Our recipe's origin dates back to the late 1800's in Palermo, Sicily. It was introduced to Pittsburgh's "Lower Triangle" neighborhood in the 1930's by Giovanni Baptiste Cena (CHAY-nah). Mr. Cena's family, and now his grandson, have carried on his legacy for nearly 100 years. Fire Roasted Crust Company is honored to be the curator of this heritage.
